A venue like no other

The Three Towers Eco House & Organic Kitchen is situated inside Slieve Aughty Centre, next to over 2000 acres of woodland and forest trails, many of which provide unique and romantic photo opportunities.

We know how much your Big Day means to you so we promise to make it as unique and special as it should be. That is why we only cater for one or two weddings per week and the venue is yours exclusively. It is like having your own private country estate for an entire weekend.

Outdoor and Indoor Ceremonies..

Several beautiful areas throughout the grounds provide wonderful and unique locations for a ceremony.

The Pergola is a living outdoor shelter, set in the garden with a lavender lined walkway. Seating is unlimited.

The Poplar Room is a bright room, ideal for ceremonies with up to 80* guests. It has large windows overlooking mature Poplar trees.

*depending on type of ceremony.

Civil Ceremony Details

Whether you have your ceremony indoors or outdoors, it will be beautiful. The corners of the pergola will be draped with sheer white fabric, and rows of rustic white chairs arranged for you. A table with or without a cloth is provided for your bits and bobs. You can have your ceremony any day of the week, any time you like, and add as many personal touches as you wish.

Accommodation

The Bridal Suite is reserved for the Bride & Groom.

Eight bespoke bedrooms sleep up to 20 sharing guests at The Three Towers. All 8 rooms must be booked* for 2 nights and a 20% deposit paid at the time of booking.

If you need additional accommodation, our two eco lodges and glamping cabins sleep up to 14 additional guests and there is a B&B about 9 km from the venue that can be reserved. Local taxi service can provide transport for those accommodated outside the venue.

*€1000/night

Post-Ceremony Reception & Meal

This can be held in the bar or on sunnier days, outside in the Pizza Garden or in front of the Eco House.

We specialise in intimate celebrations. The dining room seats up to 80 people.

A chalkboard seating plan and menu are done for you. Rustic tables are set with white chair cushions, tea lights and wall candles and your choice of table runners.

Late Night

For the afters, up to 150 people can dance the night away on the marble floor.

The bar serves a selection of organic craft beers and wines, as well as spirits and Guinness and Carlsberg on draught.

Evening organic finger food is served at the time of your choice.

Organic Food

For foodies, there is no better venue than The Three Towers. Everything is homemade, organic, and delicious. As much as possible ingredients are locally sourced, with our famous garden green salad and herbs grown here in our own organic garden, which you can visit. The bread is fresh and made in house, as well as all our gravy, chutney, dressing, and even our chips and goujons.

The Three Towers is one of the few places where you can customise your meal. Feel free to break tradition and go vegan, vegetarian, pancake and ice cream stall, pig on a spit, or even outdoor BBQ.

A children's menu is available for children ages 2-12.

Buffet Style Banquet Dinner

As an eco-friendly destination, we offer buffet style dining for all weddings. Experienced staff serve bread, wine, and your choice starters to the table, then your guests are invited to bring their plates to the buffet to sample as much of the organic fare on offer as they like. The buffet is served by our dedicated chefs. Afterwards, dessert, coffee and tea are served to the table.
